Making a regular gift

Donations

All donations to Jewish Care Scotland make a huge difference to our work in and for the Community.

Not only does a monthly gift to Jewish Care Scotland allow you to budget your charitable giving across the year, it also helps us to plan for the future. Knowing that we have a regular, reliable source of income makes planning our activities and projects more efficient and effective. Please consider making a regular gift, if you can.

Ways to donate regularly

1

Standing order

You can contact your bank directly, including on your banking app, to set up a regular standing order. This keeps you in control of the amount you donate, how often and you can cancel your gift at any time.

Jewish Care Scotland's bank details are below to make it easier for you to set up your regular gift.

Bank:	Royal Bank of Scotland
Recipient:	Jewish Care Scotland LTD
Sort code:	83-20-22
Account no.:	00286768

2

Direct Debit

Visit our website and set up a monthly direct debit via our payment gateway, Enthuse.

How your donation could* help:

£5 per month
could cover the cost of a Jewish Telegraph being delivered by one of our volunteers to an isolated member of the Community each week.

£7 per month
could help us to recruit and train a volunteer to support additional activities in our Centre.

£15 per month
could pay for three seats at our gentle movement class for one week.

Gift aid

Make your donation go even further by completing a Gift Aid declaration. If you are a UK taxpayer, including your pension, your donation could be eligible for Gift Aid, boosting your donation at no extra cost to you. For example, your gift of £10 each month could be worth £12.50 to Jewish Care Scotland. Speak to one of our team if you're unsure if your donation would be eligible. You can download a form from our website or call us on 0141 620 1800.

Thank you for your support of the work that we do.
